Dear Community Leader and Business Owner,

The FHS Gridiron Club exists to help facilitate the highest level of achievement for the young men and coaches associated with our Fishers High School Football Program. Under the direction of our head coach Curt Funk and his staff, the 2024 season is poised to be a promising and successful campaign.

Most of the funds required to run this program comes directly from the Gridiron Club Membership and its local sponsors. ***This is why we desperately need your help and partnership.***

Please consider joining us by sponsoring and attending our upcoming Kickoff Dinner and Gala.
